INTRODUCTION AND PROGRAM OVERVIEW

In 2011, The General Assembly established the Commission to Study Campaign Finance Law. On December 31, 2012, the General Assembly issued its final report. It recommended that the counties be authorized to establish their own public financing programs for county offices. In 2013, the General Assembly passed and the Governor signed HB 1499, the Campaign Finance Reform Act of 2013, giving county governments the authority to implement a public financing program.

Pursuant to Maryland Election Law §13-505, any county in the State may elect to establish a system of public campaign financing for elective offices in the executive and legislative branches of the County's government. Any program established under this provision is to be administered by the Chief Financial Officer of the County and subject to regulation and oversight by the Maryland State Board of Elections.

Each county shall determine the criteria that candidates must satisfy to become eligible for participation in the Program. Participation in a Public Campaign Financing Program is not mandatory for candidates. The decision for a candidate to participate is voluntary and one can only participate if running for a covered county elective office. The County's Program may have stricter regulations on campaign financing, contributions, expenditures, reporting and campaign material than that of State law.

Montgomery County, Maryland's Public Election Fund (PEF) is a public campaign financing program established to encourage greater voter participation in County elections, increase opportunities for more residents to run for office, and reduce the influence of large contributions from businesses, political action groups, and other large organizations. The County adopted legislation in 2014 which established the PEF in January of 2015 for the 2018 election cycle. While many jurisdictions throughout the Country have a public campaign finance program, Montgomery County is the first County in the United States to have a public campaign finance program for a local election. During the 2018 election cycle, there were 68 candidates who appeared on the 2018 County Council and County

Executive election ballots, 40 of those candidates filed an intent to participate in the program with 23 candidates qualifying for the Program and receiving approximately \$5.25 million in matching public funds. Of the 10 elected offices eligible to participate in the PEF program, seven of those offices were attained by a candidate who participated in the program, including the highest elected office of County Executive.

Montgomery County's Department of Finance earned a 2019 Achievement Award for outstanding programs. The award was presented by the National Association of Counties (NACo) to recognize efforts by local jurisdictions that promote responsible, responsive and effective county government.

THE PUBLIC ELECTION FUND COMMITTEE

Montgomery County Code, Chapter 16, Article IV, also established a Public Election Fund Committee hereinafter called the "Committee". The Committee consists of 7 members appointed by the County Council for a 4-year term beginning on May 1 of the first year of the Council's term of office. Each member must be a resident of the County while serving and there may be no more than three members of the same political party. The County Council must designate which Committee member will serve as the chair and vice-chair of the Committee.

The Committee must provide to the County Council by March 1 of each year an estimate of the funding necessary to successfully implement the public campaign financing program for the current year and recommend an appropriation for the Public Election Fund for the following year.

WHERE DOES THE FUNDING COME FROM

The Fund is comprised of the following funding sources: (1) All funds appropriated to it by the Montgomery County Council; (2) Any unspent money remaining in a certified candidate's publicly funded campaign account that is returned after the candidate is no longer a candidate for a covered office; (3)

Any County matching funds received by a participating candidate who withdraws from program participation that are returned to the Fund; (4) All interest earned on money in the Fund, including interest on funds returned to the Fund by a participating candidate who withdraws from program participation; and (5) Voluntary donations made directly to the Fund.

As a reminder, once the committee's publicly funded campaign account is opened with the financial institution, this account number **MUST** be entered in MDCRIS to ensure timely deposits of publicly matched funds for the certified candidate.

SECTION VI: CONTRIBUTIONS REQUIREMENTS

Once the public financing committee is established through MDCRIS and the publicly funded campaign account is opened with the financial institution of choice, the candidate can:

- Begin collecting qualifying contributions to meet the required contribution amount to become a certified candidate. No contributions made prior to filing your Notice of Intent will be considered a qualifying contribution.
 - All contributions whether qualifying or eligible, must be deposited into the applicant candidate's publicly funded campaign account. Each qualifying contribution must have a proof of receipt that will be submitted to the State Board at the time of requesting a public contribution. Each receipt must have the contributor's name, residential address, and be signed by the contributor directly or by the digital signature method approved by the State Board. The signature card name must match the name of contributor to be considered a qualifying contribution.

Minimum requirements to qualify for Public Financing for each elective office are as follows:

- A loan from anyone other than the applicant candidate or the candidate’s spouse.

SECTION X: MATCHING FORMULA

COVERED OFFICE	Matching ratio for Public Dollars	Qualified Contribution Threshold	Maximum Public Contribution
County Executive	6 to 1	First \$50	\$750,000 Per Election
	4 to 1	\$51 - \$100	
	2 to 1	\$101 - \$150	
	0	\$151 - \$250	
At-Large Councilmember	4 to 1	First \$50	\$250,000 Per Election
	3 to 1	\$51 - \$100	
	2 to 1	\$101 - \$150	
	0	\$151 - \$250	
District Councilmember	4 to 1	First \$50	\$125,000 Per Election
	3 to 1	\$51 - \$100	
	2 to 1	\$101 - \$150	
	0	\$151 - \$250	

The minimum contribution amount for a match is \$5. Below \$5 will not be matched or eligible as a qualifying contribution.

SECTION XI: IN-KIND CONTRIBUTIONS

An In-Kind contribution of property, goods, or services is not eligible to receive public election matching dollars. An in-kind donation contribution cannot have a value that exceeds \$250.00.

SECTION XII: APPLICANT CANDIDATE/APPLICANT CANDIDATE'S SPOUSE LOANS AND CONTRIBUTIONS

An applicant candidate or applicant candidates' spouse must not lend a combined total of more than \$12,000.00 to the candidate's publicly funded campaign account during the four-year election cycle. The loan or contribution amount is not eligible for matching public election funds.

NOTE: CANDIDATE/CANDIDATE'S SPOUSE LOANS MUST BE REPORTED IN MDCRIS UNDER CONTRIBUTIONS. SEE MDCRIS REPORTING FOR FURTHER INSTRUCTIONS.

SECTION XIII: RECEIPT OF CONTRIBUTIONS

A separate receipt must be obtained from the contributor with the contributor's name, residential address, and be signed by the contributor directly or by digital signature. Without a receipt of contribution, the contribution will not qualify for matching dollars from the public election fund.

SECTION XIV: BANK CHECKS

A cancelled check does not qualify as a signed contribution receipt for matching public election fund purposes. The contributor must sign and provide a receipt as an additional document acknowledging the contribution to be a qualified contribution for public fund matching.

A qualifying contribution made in bank check form must be printed with a name to match the name on the signed receipt of contribution.

- For example, a bank check has two names printed on the document, with a Montgomery County address, one of the names must be the name of the Montgomery County resident contributor.
- For an additional example, a bank check has two names printed on the document, with a Montgomery County address, the contributor can sign the document using the initials of one of the names printed on the check. (i.e. the name printed on the check is John A. Contributor and signed as J. A. Contributor.)

SECTION XV: DIGITAL SIGNATURES

A contribution receipt from the contributor with a digital signature means a document provided to the State Board where the donor made an affirmative action acknowledging the contribution to a publicly financed candidate. This is more than checking a box but an action, a check mark, as evidence of the signature, will not be accepted by the contributor for matching funds. For example, evidence that the donor affirmatively typed in his or her initials or name at the time of making the contributions understanding the law and its requirements for making a contribution. The supporting documentation of a digital signature must include a record with a time stamp of when the action occurred. See Election Law Article §1-101(y) for a definition of an electronic signature.

SECTION XVI: CERTIFICATION OF CANDIDATE

Once the initial registration and contribution requirements are satisfied to become eligible for Montgomery County Public Campaign Financing, all documents to determine certification of a participating candidate must be filed with the State Board. This filing must be completed through the MDCRIS

platform. The Board must certify an applicant candidate no later than 10 business days after receiving the following information:

- Receipts for the required number of qualifying contributions and required aggregate total dollar amount;
- A declaration from the candidate agreeing to follow the regulations governing the use of public election fund contributions (completed at the time of registration);
- A campaign finance report that includes:
 - each qualifying contribution received;
 - each expenditure made; and
 - all receipts associated with each contribution and expenditure; and
- A certificate of candidacy for a covered office.

NOTE: A CANDIDATE MAY SUBMIT ONLY ONE APPLICATION FOR CERTIFICATION FOR ANY ELECTION AND THE DECISION BY THE BOARD AS TO CERTIFY A CANDIDATE IS FINAL.

SECTION XVII: CERTIFICATION IS ONLY REQUIRED ONCE

A candidate needs only to qualify once in order to become a certified candidate during an election cycle. A certified candidate who accepts a matching public contribution during a primary election becomes a participating candidate for the general election. Certification is not required for both the primary and the general election.

SECTION XVIII: CERTIFICATION FOR GENERAL ELECTION AFTER NOT PARTICIPATING DURING THE PRIMARY ELECTION

The law (Montgomery County Code, Chapter 16, Article IV,) doesn't specifically prohibit a candidate from participating in the Public Election Fund

Program in the general election if they did not participate in the Program during the primary election. An example for this situation would be a candidate for a non-principal political party. However, the candidate must qualify to be a participant during the qualifying period. Therefore, unless a candidate has qualified to participate in the Program prior to the primary election taking place, they would be precluded from participating as a Public Election Fund Program candidate in the general election.

A certified candidate nominated by petition may receive a public contribution for the general election if:

- The candidate’s nomination is certified by the County Board;
- The candidate did not participate in a primary election;
- The candidate meets the requirements of certification; and
- Established a public financing committee and publicly funded account.

SECTION XIX: CERTIFICATION FOR ELECTIVE OFFICE AFTER PREVIOUSLY QUALIFYING FOR A SEPARATE ELECTIVE OFFICE

If a participating candidate seeks a County elective office different from the one the candidate was certified for during the same election cycle, the candidate must:

- Withdraw from the election;
- Repay to the Director all distribution(s) made by the Fund;
- Apply for certification with the Board for the new County elective office.

NOTE: THE BOARD’S PREVIOUSLY APPROVED CONTRIBUTIONS FOR THE COUNTY ELECTIVE OFFICE FROM WHICH THE CANDIDATE HAS WITHDRAWN CAN BE USED TOWARDS THE CERTIFICATION FOR THE NEW COUNTY ELECTIVE OFFICE.

SECTION XX: PARTICIPATION IN THE PRIMARY ELECTION BUT NOT GENERAL ELECTION

In the event that a certified candidate accepted a public contribution during the primary election and won, the candidate is automatically qualified for the

Public Election Program for the general election. If the candidate chooses to withdraw from participation in the Program for the general election, the candidate must follow the specific withdrawal procedures.

SECTION XXI: HOW TO FILE CAMPAIGN FINANCE REPORTS THROUGH MDCRIS

The MDCRIS can be accessed using any internet browser. The log in for the system is located at www.campaignfinace.maryland.gov. The system can be accessed by entering the users’ report email as a username and the personal password created.

SECTION XXVII: REPORTING REQUIREMENTS

All Reports must be filed using the MDCRIS. This program can be accessed using any internet browser, logging in at www.campaignfinance.maryland.gov. Reports for your committee can be filed up to 11:59 p.m. on your filing date deadline. Once your report has been submitted through MDCRIS, an email will be sent acknowledging your submission. Please see the Maryland State Board of Elections website for the 2022 mandatory reporting schedule

NOTE: THAT THE BEGINNING TRANSACTION DATE FOR ALL REPORTS IS THE DAY AFTER THE ENDING TRANSACTION DATE OF THE PRIOR REPORT. THIS INCLUDES FILING ANY OPTIONAL PUBLIC ELECTION FUND REPORTS. IF THE COMMITTEE IS NEW, THE BEGINNING TRANSACTION DATE IS THE DATE THE COMMITTEE WAS FORMED.

SECTION XXVIII: PUBLIC ELECTION FUND REPORTS

A public financing committee may file additional reports requesting public funds. These optional reports can only be filed on the first and third Tuesday of each month after the distribution period, except if the required campaign finance report is due within 7 days prior to the first or third Tuesday. Again, to receive publicly matched funding, the public financing committee must provide to the State Board, a campaign finance report that includes:

- each qualifying contribution received;
- each expenditure made by the candidate;
- all receipts associated with each contribution and expenditure.

SECTION XXIX: DISTRIBUTIONS OF PUBLIC FUNDS

After a review of the submission by the State Board, the Director of Finance for Montgomery County is then notified to deposit the authorized matching publicly funded campaign contribution into the certified candidate's publicly funded campaign account. This deposit must be made within three (3) business days after the Board notifies the Director of the authorized public contribution.

The Board must determine the amount of a public contribution that each participating candidate is to receive, based on the amount reflected in the receipts as presented to the Board and the formula for the respective County elective office.

NOTE: A CANDIDATE WILL NOT RECEIVE MATCHING PUBLIC FUNDING MONEY FOR: 1) ANY IN-KIND SERVICES, PROPERTY, OR GOODS; AND 2) A CONTRIBUTION MADE BY THE CANDIDATE OR THE CANDIDATE'S SPOUSE.

The Director must process all authorized public contributions by the due date and in the order they were received.

SECTION XXX: DISTRIBUTION OF FUNDS TIMING

A public financing committee may seek public funds during the distribution period which begins 365 days before the primary election and ends thirty (30)

days after the date of either the primary or the general election in which the candidate is participating. The Distribution Period for the November 2022 Election is June 28, 2021 through December 8, 2022.

SECTION XXXI: MAXIMUM PUBLIC CONTRIBUTIONS

The maximum public contribution to a certified candidate is calculated separately for the primary election and for the general election.

A candidate who wins the nomination after receiving County matching funds up to the maximum during the primary, may continue to receive matching funds from the County up to the maximum amount during a contested general election for additional qualifying contributions received.

SECTION XXXII: EXCEEDING PUBLIC CONTRIBUTIONS LIMIT

The Director must not approve a distribution of a public contribution from the Fund to a participating candidate that would exceed the aggregate public contribution limit for either a primary or general election for that County elective office.

In the event that a public contribution exceeded the public contribution limit for the County elective office, the Board must notify the participating candidate within five business days from the date of that determination in writing, and the participating candidate must repay the Fund within five business days from the date of the notification letter.

If, the amount is not repaid to the Fund within five business days, the interest charges will accrue.

SECTION XXXIII: DISTRIBUTION PERIOD CLOSED

The Board, upon notification from the Director that certain authorized public contributions have not and will not be remitted to the public campaign

funds and that the distribution period is closed, must notify the participating candidate(s) within ten business days from the date of notification from the Director in writing.

SECTION XXXIV: PRIMARY ELECTION RESULTS

Within 90 days after the County Board certified the results of the primary election, a participating candidate who is not certified to be on the ballot for the general election must return any unspent money in the candidate's publicly funded campaign account to the Fund.

SECTION XXXV: WITHDRAWAL

In the event that a candidate chooses to opt out of the Public Election Fund Program, the candidate must file a statement of withdrawal with the Board of Elections. See form provided in Section: *Provided Documents*.

Additionally, the following criteria will apply with regard to any public contribution:

- A candidate may opt out of the Public Election Fund Program at any time before the public election fund contribution is received by the candidate's publicly funded campaign account.
- If a candidate receives any distributions from the Public Election Fund and later withdraws from the Program, for whatever reason, the candidate must return all Public Election Fund contribution amounts, including interest. Interest is to be computed using the prime lending rate (published by the Federal Reserve Board as of January 1 in the year in which the distribution is repaid) to the Public Election Fund.

SECTION XXXVI: PUBLIC FUNDING ACCOUNT INFORMATION

On or before July 1 of the year preceding the primary election, the Director must determine if the amount in the Fund is sufficient to meet the maximum

public contributions reasonably expected to be required during the next election cycle. If the Director determines that the total amount available for distribution in the Fund is insufficient to meet the allocations required by this section, the Director must reduce each public contribution to a certified candidate by the same percentage of the total public contribution.

SECTION XXXVII: INSUFFICIENT FUNDS IN THE FUND

If the Director determines that there are insufficient funds in the Fund for the full distribution authorized by the Board, the Director must deposit the adjusted amount of authorized public contributions into a participating candidate's publicly funded campaign account within 5 business days from the date the Director receives notification that the Board authorized the public contribution.

After the Director determines that the Fund is insufficient to distribute any or all public contributions authorized by the Board, no subsequent claim may be made by a participating candidate based on a public contribution authorized by the Board on a date prior to the determination of the Fund insufficiency but not received by the Director until after the date of determination of Fund insufficiency.

SECTION XXXVIII: ZERO ACCOUNT BALANCE OF PUBLIC FUNDING ACCOUNT

If the Director determined that the Fund has a zero balance, the Director must notify the County Executive, County Council President, and Board within three business days from the date of that determination. If the Board has determined that the public contribution limits for the respective County elective offices have not been reached, the Board may continue to authorize public contributions and notify the Director, and the Director must hold these authorized public contribution notifications until such time that the Fund has a balance greater than zero. At such time, the Director must process authorized public contributions in the following order:

- Previously authorized public contributions that were not paid due to insufficient funds.

- Any authorized public contributions that were held must be processed by date and in the order of the earliest date first to the latest date and based on the date they were authorized by the Board.

All requests for matching funds will be distributed in the same order in which the requests were received until all requests have been satisfied or funds have been exhausted.

If the Director determined that the Fund has a zero balance on the day after the end of the Distribution period, but holds authorized public contributions that were not processed due to insufficient funds, the Director must notify the Board detailing the amounts not paid by date authorized and by candidate.

SECTION XXXIX: CONTESTED ELECTIONS

Public Campaign Financing is only available to candidates participating in contested elections. A “contested election” is defined as an election in which there are more candidates for an office than the number who can be elected to that office.

An election does not have to be contested in both the primary and the general election in order to be a “contested election.” The primary and general elections are separate elections and the determination of whether an election is contested is made independently for each election. An election is contested if there are more candidates for the office than the number who can be elected to that office. For example, if there are two Democrats and one Republican running for a single County Council seat in the primary, the Democratic primary election is contested, but the Republican primary is not contested.

The Director must be notified by the Board within five business days from the date that the Board determines that a participating candidate is no longer in a contested election. If a participating candidate is no longer in a contested election, no further distributions to the participating candidate from the Fund can be made.

SECTION XI: ALLOWABLE USES OF MONEY

The allowable uses of money in a publicly funded campaign account are limited to expenses directly related to election campaign activities and expenses incurred during the specific time period for either the primary or general election. Additionally, all goods and services that are received once a candidate has filed their intent to participate in the Program must be paid for out of the candidate's publicly funded campaign account.

SECTION XLI: PURCHASING MATERIALS PRIOR TO FILING NOTICE OF INTENT

Assets that the candidate has paid for and received prior to filing their notice of intent to participate in the Program can be used but only in a limited capacity. Otherwise, pre-purchasing by a non-public financing committee for campaign materials or items is prohibited.

- Example 1: On March 1, 2021, Candidate A contracts with a bus manufacturer to build a custom campaign bus and pays \$100,000 in full for the bus to be built and delivered on July 1, 2021. On April 1, 2021, Candidate A files a notice of intent to participate in the Public Election Fund with the State Board. On July 1, 2021, upon receipt of the pre-paid campaign bus, Candidate A would be in violation of the Public Election Fund regulations which prohibit the advanced purchase of goods and services with ineligible contributions received outside of the Program.
- Example 2: On March 1, 2021, Candidate B contracts with a web developer to create a campaign website for the cost of \$10,000 and pays in full at the time. On March 21, 2021, the website is completed with an ongoing monthly fee of \$99, which began on March 21, 2021. On April 21, 2021, Candidate B files their notice of intent to participate in the Public Election Fund with the State Board. Upon filing this notice of intent, Candidate B now pays the monthly website fee of \$99 from the candidate's publicly funded campaign account. This is considered to be an allowable expense. The candidate does not have pay for a new campaign website.

SECTION XLII: PROHIBITED USES OF MONEY

Prohibited uses of money in a publicly funded campaign account include personal use or expenses relating to holding office, payment of a personal endorsement, and the payment of late filing fees.

The candidate must not pay for any campaign expenses after filing a notice of intent with the Board to seek public funding with any campaign finance account other than the candidate's publicly funded campaign account.

Expenses incurred prior to the time that the applicant candidate was certified by the Board are not permissible and therefore are not allowable uses of public funds.

SECTION XLIII: TRANSFERS

- A public financing committee may not make transfers to any candidate, political party, or political action committee.
- A political committee may not make a transfer into a candidate's publicly funded campaign account.

SECTION XLIV: COMPLAINTS AGAINST USE OF PUBLIC FUNDING

All complaints regarding uses of public campaign funding should be filed with the Board or the States' Attorney Office.

SECTION XLV: MEMBERSHIP OF SLATE

A participating candidate may not be a member of a slate.

SECTION XLVI: RETURN OF UNSPENT FUNDS

Except as provided in Section XLVII, all unspent funds remaining in the certified candidate's public financing campaign account must be returned to the Public Election Fund at the end of the candidate's contested campaign. For candidates who win a contested primary election and continue on to a contested general election, they may retain the unspent funds and continue to receive eligible contributions up to the general election for the covered office for which they are a certified candidate.

Within 90 days after the County Board certified the results of the general election, a participating candidate must repay to the Fund any unspent money in the candidate’s publicly funded campaign account. If a candidate does not repay the unspent money to the Fund as specified, interest charges will accrue.

SECTION XLVII: RETENTION OF FUNDS

A certified candidate may retain funds to pay for post-election expenses that must not exceed \$5,000. In order to retain these funds in their campaign account, the candidate must file a new declaration of intent to participate in the public campaign financing system for the next 4-year election cycle by January 31 of the year after the election, and must keep the same campaign finance entity open during such time.

SECTION XLVIII: AUTHORITY LINES

Generally

Each item of campaign material must include an authority line, set apart from the other printing or content of the campaign material. The authority line must state name and address (unless the address is on file with the State Board) of the person who is responsible for the production and distribution of the campaign material.

Campaign material includes signs, buttons, letters, tickets, solicitations, radio and television advertisements, websites, social media accounts, bumpers stickers and paraphernalia such as pencils, hats and t-shirts.

The authority line for a public financing committee must contain:

- The name of the Treasurer; and
- The name of the campaign finance entity.

Example of authority line for a committee.
Committee to Elect Mary Smith, John Jones, Treasurer

If the material is too small to permit the inclusion of all required information in a legible manner, the material need only contain the name and title of the treasurer.

The Office of the Attorney General has stated that almost no material is too small to permit inclusion of the complete authority line. Accordingly, every effort should be made to include the entire authority line.

Mailings

If there is more than one piece or item bearing the candidate's name in a mailing (for example, a brochure, a cover letter, a bumper sticker, a reproduction of a newspaper article), each piece must bear the authority line. An envelope that does not include the name of the candidate, the name of the campaign finance entity, or a campaign slogan is not required to contain an authority line.

Campaign Material on Electronic Media

Webpages and Social Media accounts:

Candidates and political committees that have a web page or social media account must place an authority line on the home or landing page of the website or social media account. An authority line is not required after each post or tweet. However, since each post or tweet is considered campaign material, the political committee is required to retain a copy of posts and tweets for at least one year.

Electronic Media Advertisement:

Electronic media advertisement by a political committee is required to have an authority line. If the electronic media advertisement is too small for an authority line then:

- The ad must allow the viewer to click on the ad and take the viewer to a home or landing page that displays the authority line; or
- Register the ad with the State Board.

Examples of electronic advertisement ads deemed too small:

- A paid text advertisement that is 200 characters or less in length

- A micro bar; or
- A button ad.

Copies of Campaign Material

Each political committee is responsible for publishing and distributing an item of campaign material and is required to keep a sample copy of the item for at least one year after the general election following the date when the item was published or distributed. For each item of campaign material disseminated through the internet, the sample copy may be either a paper facsimile copy or an electronic copy that can be produced as a paper facsimile upon request. These requirements do not apply to a billboard or a sign distributed by a political committee.
