Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

**Serve as Senators and Delegates - Place**  
**of Abode**

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds \$25,000, excluding attorney's fees if attorney's fees are recoverable in the proceeding. Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. **Constitutional Amendment**  
**(Ch. 808 of 2021 Legislative Session)**  
**Legislative Department - Eligibility to**  
**Serve as Senators and Delegates - Place**  
**of Abode**

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. **Serve as Senators and Delegates - Place**  
**of Abode**

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

**of Abode**

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

**Legislative Department - Eligibility to**  
**Serve as Senators and Delegates - Place**  
**of Abode**

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. **Circuit Court for Howard County- Judges**  
**Sitting as Orphans' Court**

Repeals county elections of Howard County orphans' court judges and requires the Howard County Circuit Court judges to sit as the orphans' court for Howard County. The current law provides for the voters of Howard County to elect three orphans' court judges. Under the amended law, a party could no longer appeal a final judgment of the Howard County Orphans Court to the Howard County Circuit Court and would instead take an appeal directly to the Court of Special Appeals.
