Seventh Congressional District Voters Can Still Request Ballot Electronically

Annapolis, MD (April 24, 2020) - The Maryland State Board of Elections (the Board) reminds registered voters in the 7th Congressional District that they have until 8 pm on Tuesday, April 28th to request a ballot electronically for that day's special election. This deadline applies only to voters already registered.

If a registered voter did not receive a ballot in the mail, they may submit a request to absentee.SBE@maryland.gov or call 1-800-222-8683. The ballot will be e-mailed to the registered voter within a day. You must print your ballot and mail or drop the completed ballot off in an Official Ballot Drop box on or before Tuesday, April 28, 2020. If you get your ballot electronically and return it by mail, you will need to add postage to your envelope.

The Board continues to urge all 7th Congressional District voters to vote by mail if they are able to do so. The State Board mailed ballots to all eligible active voters in early April along with return envelopes and prepaid postage. Voters do not need to affix postage to their envelopes.

If a voter is unable to vote by mail, the following in-person voting centers will be open April 28th from 7 am to 8 pm.
