\*From the statewide database used to issue and process mail-in ballots. This number will not change.

\*\* From the statewide databased used to issue and process mail-in ballots. This number is updated daily. All received ballots were entered into the statewide database as of August 3, 2022.

\*\*\* Number reported from the voting system. This number will be updated as local boards count ballots.

\*\*\*\* Ballots left to count is the number of ballots received minus the number of ballots canvassed. As of Sunday, August 7, 2022, all local boards finished canvassing all Mail-in Ballots. The difference in total ballots received minus ballots canvassed is because some mail-in ballots are counted during the provisional canvass, in order to keep private the identity of provisional voters. When the mail-in ballot canvass is complete, the ballots left to count is zeroed out, as there are no more ballots left to count.
