73 voters (41%) brought their completed ballot return envelopes to the election drop-box during the Election Day Sidewalk Celebration on May 6, and 104 mailed their ballots.

All the ballot envelopes we received were included in the vote-counting. The voter turn-out this year (28.5%) was lower than usual for VMA, but consistent with the normal turn-out in uncontested local elections. No voters, ballots, or votes were disqualified. One voter added a write-in comment on the ballot in support of affordable housing in VMA.

Congratulations to Andrew and Alexa, and thank you to all the Village residents who voted.

With best regards,
Your 2025 Election Committee
Elizabeth Goldberg, Marty Langelan, Naomi Naierman, and Larry Wasson
