## To Download a Single File:

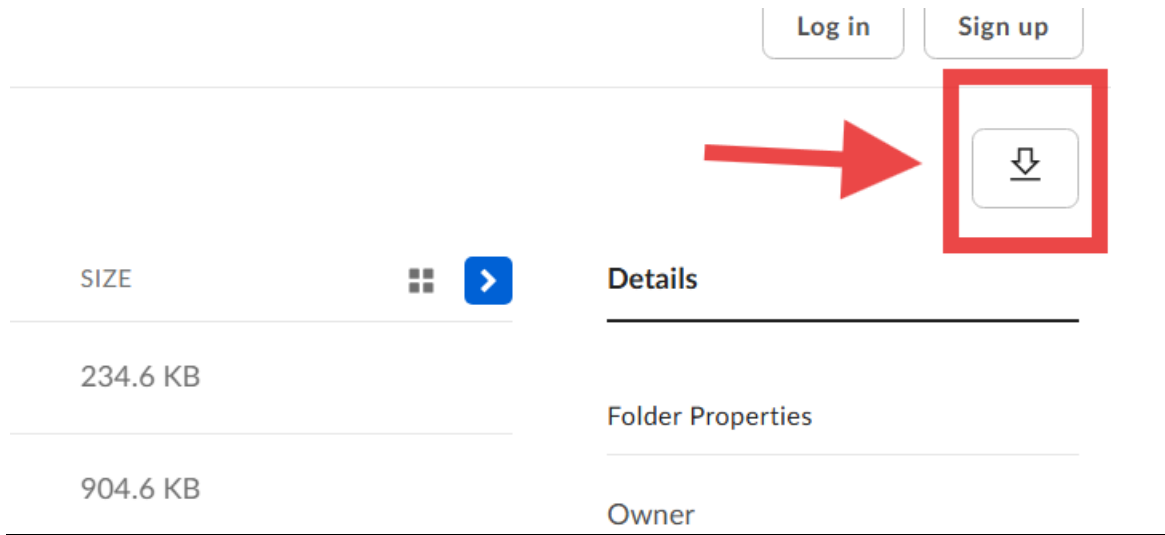

- Click next to a file's name to select it. The action toolbar will appear above your files in the top-right.
- Click the download icon to begin the download process.

## To Download Multiple Items:

- **Shift**+click on multiple items to select them. The action toolbar will appear above your files in the top-right.
- To select all items, press the key combination **Ctrl+a**.
- Click **Download** to begin the download process. Your selected items will be downloaded together in a single zip file.

If you wish to download all items, click the download icon without anything selected.

To view a document, simply click the file you want to view. No need for a separate applicaton, it'll open within the web browser.
