Question 1
Constitutional Amendment
(Ch. 82 of the 2021 Legislative Session)
Court of Appeals and Special Appeals - Renaming
Changes the names of Maryland’s appellate courts from the Court of Appeals to the Supreme Court of Maryland and from the Court of Special Appeals to the Appellate Court of Maryland. Under the new law, judges serving on the Court of Appeals will be justices of the Supreme Court of Maryland and the Chief Judge of the Court of Appeals will be the Chief Justice of the Supreme Court of Maryland.

Question 2
Constitutional Amendment
(Ch. 808 of 2021 Legislative Session)
Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode
Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Question 3
Constitutional Amendment
(Ch. 809 of 2021 Legislative Session)
Civil Jury Trials
Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney’s fees if attorney’s fees are recoverable in the proceeding. Under current law, the amount in controversy must exceed $15,000 before a party to a proceeding may demand a jury trial. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict.

Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode
Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode
Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Constitutional Amendment
(Ch. 809 of 2021 Legislative Session)
Civil Jury Trials
Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney’s fees if attorney’s fees are recoverable in the proceeding. Question 1
Constitutional Amendment
(Ch. 82 of the 2021 Legislative Session)
Court of Appeals and Special Appeals - Renaming
Changes the names of Maryland’s appellate courts from the Court of Appeals to the Supreme Court of Maryland and from the Court of Special Appeals to the Appellate Court of Maryland. Under the new law, judges serving on the Court of Appeals will be justices of the Supreme Court of Maryland and the Chief Judge of the Court of Appeals will be the Chief Justice of the Supreme Court of Maryland.

Question 2
Constitutional Amendment
(Ch. 808 of 2021 Legislative Session)
Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode
Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Question 3
Constitutional Amendment
(Ch. 809 of 2021 Legislative Session)
Civil Jury Trials
Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney’s fees if attorney’s fees are recoverable in the proceeding. Under current law, the amount in controversy must exceed $15,000 before a party to a proceeding may demand a jury trial. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict.

Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode

**Question 1**

**Constitutional Amendment**  
(Ch. 82 of the 2021 Legislative Session)  
Court of Appeals and Special Appeals - Renaming

Changes the names of Maryland’s appellate courts from the Court of Appeals to the Supreme Court of Maryland and from the Court of Special Appeals to the Appellate Court of Maryland. Under the new law, judges serving on the Court of Appeals will be justices of the Supreme Court of Maryland and the Chief Judge of the Court of Appeals will be the Chief Justice of the Supreme Court of Maryland.

**Question 2**

**Constitutional Amendment**  
(Ch. 808 of 2021 Legislative Session)  
Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

**Question 3**

**Constitutional Amendment**  
(Ch. 809 of 2021 Legislative Session)  
Civil Jury Trials

Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney’s fees if attorney’s fees are recoverable in the proceeding. Under current law, the amount in controversy must exceed $15,000 before a party to a proceeding may demand a jury trial. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict.

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

**Question 1**  
Constitutional Amendment  
(Ch. 82 of the 2021 Legislative Session)  
Court of Appeals and Special Appeals - Renaming

Changes the names of Maryland’s appellate courts from the Court of Appeals to the Supreme Court of Maryland and from the Court of Special Appeals to the Appellate Court of Maryland. Constitutional Amendment  
(Ch. 808 of 2021 Legislative Session)  
Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Constitutional Amendment  
(Ch. 809 of 2021 Legislative Session)  
Civil Jury Trials

Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney’s fees if attorney’s fees are recoverable in the proceeding. Under current law, the amount in controversy must exceed $15,000 before a party to a proceeding may demand a jury trial. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict.

Repeals county elections of Howard County orphans’ court judges and requires the Howard County Circuit Court judges to sit as the orphans’ court for Howard County. The current law provides for the voters of Howard County to elect three orphans’ court judges. Question 2

**Constitutional Amendment**
(Ch. 808 of 2021 Legislative Session)
Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Question 3

**Constitutional Amendment**
(Ch. 809 of 2021 Legislative Session)
Civil Jury Trials

Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney’s fees if attorney’s fees are recoverable in the proceeding. Under current law, the amount in controversy must exceed $15,000 before a party to a proceeding may demand a jury trial. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict.

(Ch. 82 of the 2021 Legislative Session)
Court of Appeals and Special Appeals - Renaming
Changes the names of Maryland’s appellate courts from the Court of Appeals to the Supreme Court of Maryland and from the Court of Special Appeals to the Appellate Court of Maryland. Question 2
Constitutional Amendment
(Ch. 808 of 2021 Legislative Session)
Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode
Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Question 3
Constitutional Amendment
(Ch. 809 of 2021 Legislative Session)
Civil Jury Trials
Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney’s fees if attorney’s fees are recoverable in the proceeding. Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Constitutional Amendment  
(Ch. 808 of 2021 Legislative Session)  
Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

**Question 3**  
Constitutional Amendment

Civil Jury Trials

Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney's fees if attorney’s fees are recoverable in the proceeding. Under current law, the amount in controversy must exceed $15,000 before a party to a proceeding may demand a jury trial. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict.

Question 2
Constitutional Amendment
(Ch. 808 of 2021 Legislative Session)
Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode
Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Question 3
Constitutional Amendment
(Ch. 809 of 2021 Legislative Session)
Civil Jury Trials
Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney’s fees if attorney’s fees are recoverable in the proceeding. Under current law, the amount in controversy must exceed $15,000 before a party to a proceeding may demand a jury trial. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict.

Question 1
Constitutional Amendment
(Ch. 82 of the 2021 Legislative Session)
Court of Appeals and Special Appeals - Renaming
Changes the names of Maryland’s appellate courts from the Court of Appeals to the Supreme Court of Maryland and from the Court of Special Appeals to the Appellate Court of Maryland. Under the new law, judges serving on the Court of Appeals will be justices of the Supreme Court of Maryland and the Chief Judge of the Court of Appeals will be the Chief Justice of the Supreme Court of Maryland.

Question 2
Constitutional Amendment
(Ch. 808 of 2021 Legislative Session)
Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode
Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Question 3
Constitutional Amendment
(Ch. 809 of 2021 Legislative Session)
Civil Jury Trials
Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney’s fees if attorney’s fees are recoverable in the proceeding. Under current law, the amount in controversy must exceed $15,000 before a party to a proceeding may demand a jury trial. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict.

Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode
Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Question 1
Constitutional Amendment (Ch. 82 of the 2021 Legislative Session)
Court of Appeals and Special Appeals - Renaming
Changes the names of Maryland’s appellate courts from the Court of Appeals to the Supreme Court of Maryland and from the Court of Special Appeals to the Appellate Court of Maryland. Under the new law, judges serving on the Court of Appeals will be justices of the Supreme Court of Maryland and the Chief Judge of the Court of Appeals will be the Chief Justice of the Supreme Court of Maryland.

Question 2
Constitutional Amendment (Ch. 808 of 2021 Legislative Session)
Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode
Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Question 3
Constitutional Amendment (Ch. 809 of 2021 Legislative Session)
Civil Jury Trials
Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney’s fees if attorney’s fees are recoverable in the proceeding. Under current law, the amount in controversy must exceed $15,000 before a party to a proceeding may demand a jury trial. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict.

Constitutional Amendment
(Ch. 808 of 2021 Legislative Session)
Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode
Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Question 3
Constitutional Amendment
(Ch. 809 of 2021 Legislative Session)
Civil Jury Trials
Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney’s fees if attorney’s fees are recoverable in the proceeding. Under current law, the amount in controversy must exceed $15,000 before a party to a proceeding may demand a jury trial. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict.

Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode

Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Court of Appeals and Special Appeals - Renaming
Changes the names of Maryland's appellate courts from the Court of Appeals to the Supreme Court of Maryland and from the Court of Special Appeals to the Appellate Court of Maryland. Question 2
Constitutional Amendment
(Ch. 808 of 2021 Legislative Session)
Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode
Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Question 3
Constitutional Amendment
(Ch. 809 of 2021 Legislative Session)
Civil Jury Trials
Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney's fees if attorney's fees are recoverable in the proceeding. Under current law, the amount in controversy must exceed $15,000 before a party to a proceeding may demand a jury trial. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict.

**Question 1**

**Constitutional Amendment**

(Ch. 82 of the 2021 Legislative Session)

**Court of Appeals and Special Appeals - Renaming**

Changes the names of Maryland's appellate courts from the Court of Appeals to the Supreme Court of Maryland and from the Court of Special Appeals to the Appellate Court of Maryland. Under the new law, judges serving on the Court of Appeals will be justices of the Supreme Court of Maryland and the Chief Judge of the Court of Appeals will be the Chief Justice of the Supreme Court of Maryland.

(Amending Article II, Section 6, Article III, Sections 5, 30 and 52, Article IV, Sections 1, 3, 3A, 4B, 5A, 10, 14, 15, 16, 17, 18, 22, and 41E, Article V, Section 6, and Article XVII, Section 3 to the Maryland Constitution)

**Question 2**

**Constitutional Amendment**

(Ch. 808 of 2021 Legislative Session)

**Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode**

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

(Amending Article III, Section 9 to the Maryland Constitution)

**Question 3**

**Constitutional Amendment**

(Ch. 809 of 2021 Legislative Session)

**Civil Jury Trials**

Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney’s fees if attorney’s fees are recoverable in the proceeding. Under current law, the amount in controversy must exceed $15,000 before a party to a proceeding may demand a jury trial. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict.

(Amending Maryland Declaration of Rights - Articles 5(a) and 23)
**Question 4**  
Constitutional Amendment  
(Ch. 45 of the 2022 Legislative Session)  
Cannabis - Legalization of Adult Use and Possession

**Question 5**  
Constitutional Amendment  
(Ch. 539 of the 2022 Legislative Session)  
Circuit Court for Howard County - Judges Sitting as Orphans' Court

Repeals county elections of Howard County orphans’ court judges and requires the Howard County Circuit Court judges to sit as the orphans’ court for Howard County. The current law provides for the voters of Howard County to elect three orphans’ court judges. Under the amended law, a party could no longer appeal a final judgment of the Howard County Orphans Court to the Howard County Circuit Court and would instead take an appeal directly to the Court of Special Appeals.

Question 1
Constitutional Amendment
(Ch. 82 of the 2021 Legislative Session)
Court of Appeals and Special Appeals - Renaming
Changes the names of Maryland's appellate courts from the Court of Appeals to the Supreme Court of Maryland and from the Court of Special Appeals to the Appellate Court of Maryland. Under the new law, judges serving on the Court of Appeals will be justices of the Supreme Court of Maryland and the Chief Judge of the Court of Appeals will be the Chief Justice of the Supreme Court of Maryland.

Question 2
Constitutional Amendment
(Ch. 808 of 2021 Legislative Session)
Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode
Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Question 3
Constitutional Amendment
(Ch. 809 of 2021 Legislative Session)
Civil Jury Trials
Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney's fees if attorney's fees are recoverable in the proceeding. Under current law, the amount in controversy must exceed $15,000 before a party to a proceeding may demand a jury trial. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict.
