Civil Jury Trials

Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney’s fees if attorney’s fees are recoverable in the proceeding. Under current law, the amount in controversy must exceed $15,000 before a party to a proceeding may demand a jury trial. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict.

Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

**Question 2**
Constitutional Amendment (Ch. 808 of 2021 Legislative Session)
Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

(Amending Article III, Section 9 to the Maryland Constitution)

**Question 3**
Constitutional Amendment (Ch. 809 of 2021 Legislative Session)
Civil Jury Trials

Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney's fees if attorney's fees are recoverable in the proceeding. Under current law, the amount in controversy must exceed $15,000 before a party to a proceeding may demand a jury trial. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict.

Question 2
Constitutional Amendment
(Ch. 808 of 2021 Legislative Session)
Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Constitutional Amendment
(Ch. 808 of 2021 Legislative Session)
Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Constitutional Amendment  
(Ch. 808 of 2021 Legislative Session)  
**Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode**

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

### Question 3
Constitutional Amendment  
(Ch. 809 of 2021 Legislative Session)  
**Civil Jury Trials**

Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney’s fees if attorney’s fees are recoverable in the proceeding. Under current law, the amount in controversy must exceed $15,000 before a party to a proceeding may demand a jury trial. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict.

Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Question 2

Constitutional Amendment

(Ch. 808 of 2021 Legislative Session)
Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person's election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Constitutional Amendment

(Ch. 809 of 2021 Legislative Session)
Civil Jury Trials

Authorizing the General Assembly to enact legislation that limits the right to a jury trial in a civil proceeding to those proceedings in which the amount in controversy exceeds $25,000, excluding attorney's fees if attorney's fees are recoverable in the proceeding. Under current law, the amount in controversy must exceed $15,000 before a party to a proceeding may demand a jury trial. In cases where the amount in controversy does not exceed this threshold amount, a judge, rather than a jury, determines the verdict.

(Ch. 808 of 2021 Legislative Session)

Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.

Legislative Department - Eligibility to Serve as Senators and Delegates - Place of Abode

Adds to the eligibility requirements to serve as a senator or a delegate to the Maryland General Assembly by requiring a person to have maintained a primary place of abode in the district that the person has been chosen to represent. Under current law, a person must have resided in the district to which the person has been elected for at least six months immediately preceding the date of the person’s election or, if the district has been established for less than six months prior to the date of election, as long as the district has been established. The new law requires, beginning January 1, 2024, a person must have both resided in and maintained a primary place of abode in the district for the same time periods as under current law.
