Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

This would amend Section 533 of the Baltimore County Charter.

A vote FOR the amendment changes the membership of the Board of Recreation and Parks and clarifies that the Board is an advisory body to the Department of Recreation and Parks.

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. (Amending Article III of the Maryland Constitution) ☐ For the Constitutional Amendment ☐ Against the Constitutional Amendment

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Election Districts – General Assembly and
Representatives in Congress

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

- ☐ **For the Charter Amendment**
- ☐ **Against the Charter Amendment**

Question B
Charter Amendment
Department of Agriculture – Establishment
of Department
(Bill 49-25)

This Charter Amendment establishes a Department of Agriculture to promote and support farming and agriculture in Baltimore County as a viable component of the county's economic section, including encouraging local food production and distribution to improve access to food for County residents.

This would amend Section 504 of the Baltimore County Charter and add Sections 542.9 and 542.10 to the Baltimore County Charter.

Various agriculture issues will continue to be handled by other County agencies depending on the subject matter. As an example, agriculture land preservation is currently handled by the Department of Planning; local food initiatives are currently handled by the Department of Health; and agricultural tourism is handled by the Department of Economic and Workforce Development.

A vote FOR the amendment would create a Department of Agriculture to support farming and agriculture in Baltimore County and encourage local food production and distribution to improve access to food for County residents.

A vote AGAINST the amendment does not create a Department of Agriculture, and the current County Charter would remain unchanged.

- **For the Charter Amendment**
- **Against the Charter Amendment**

Question C
Charter Amendment
Inspector General Appointment Board
(Bill 50-25)

The Inspector General provides oversight of County government by investigating fraud, waste, and abuse. This Charter Amendment establishes an Inspector General Appointment Board; provides for the appointment of members to the Appointment Board; provides authority for the Inspector General Appointment Board to appoint or reappoint the Inspector General and, if necessary, remove the Inspector General for cause. It replaces the current process under which the County Executive appoints or reappoints the Inspector General, and the County Council confirms the appointment. It provides for a residency requirement for the Inspector General.

The Inspector General Appointment Board will consist of seven (7) members, with the County Council and County Executive each selecting one member, and the Chair of the Ethics Commission electing the other five (5) members, each of whom must be from specific judicial, accounting, fraud examination or academic professions. There are also several requirements for members relating to potential ethical conflicts between their service on the Inspector General Appointment Board and their employment or business involvement with the County; candidacy for elected office or involvement in campaign finances; registration as a lobbyist; or criminal convictions.

This would amend Section 1014 of the Baltimore County Charter and add Section 1014.1 to the Baltimore County Charter.

A vote FOR the amendment transfers the authority to appoint or reappoint and remove the Inspector General from the County Executive to an Inspector General Appointment Board to be established.

A vote AGAINST the amendment keeps the current process, in which the County Executive appoints or reappoints, the Inspector General and the County Council confirms the appointment.

This would amend Section 533 of the Baltimore County Charter.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

This would amend Section 533 of the Baltimore County Charter.

A vote FOR the amendment changes the membership of the Board of Recreation and Parks and clarifies that the Board is an advisory body to the Department of Recreation and Parks.

A vote AGAINST the amendment keeps the current membership and duties of the Board of Recreation and Parks.

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the

Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question B
Charter Amendment
Department of Agriculture – Establishment
of Department
(Bill 49-25)

This Charter Amendment establishes a Department of Agriculture to promote and support farming and agriculture in Baltimore County as a viable component of the county's economic section, including encouraging local food production and distribution to improve access to food for County residents.

This would amend Section 504 of the Baltimore County Charter and add Sections 542.9 and 542.10 to the Baltimore County Charter.

Various agriculture issues will continue to be handled by other County agencies depending on the subject matter. As an example, agriculture land preservation is currently handled by the Department of Planning; local food initiatives are currently handled by the Department of Health; and agricultural tourism is handled by the Department of Economic and Workforce Development.

A vote FOR the amendment would create a Department of Agriculture to support farming and agriculture in Baltimore County and encourage local food production and distribution to improve access to food for County residents.

A vote AGAINST the amendment does not create a Department of Agriculture, and the current County Charter would remain unchanged.

- **For the Charter Amendment**
- **Against the Charter Amendment**

Question C
Charter Amendment
Inspector General Appointment Board
(Bill 50-25)

The Inspector General provides oversight of County government by investigating fraud, waste, and abuse. This Charter Amendment establishes an Inspector General Appointment Board; provides for the appointment of members to the Appointment Board; provides authority for the Inspector General Appointment Board to appoint or reappoint the Inspector General and, if necessary, remove the Inspector General for cause. It replaces the current process under which the County Executive appoints or reappoints the Inspector General, and the County Council confirms the appointment. It provides for a residency requirement for the Inspector General.

The Inspector General Appointment Board will consist of seven (7) members, with the County Council and County Executive each selecting one member, and the Chair of the Ethics Commission electing the other five (5) members, each of whom must be from specific judicial, accounting, fraud examination or academic professions. There are also several requirements for members relating to potential ethical conflicts between their service on the Inspector General Appointment Board and their employment or business involvement with the County; candidacy for elected office or involvement in campaign finances; registration as a lobbyist; or criminal convictions.

This would amend Section 1014 of the Baltimore County Charter and add Section 1014.1 to the Baltimore County Charter.

A vote FOR the amendment transfers the authority to appoint or reappoint and remove the Inspector General from the County Executive to an Inspector General Appointment Board to be established.

A vote AGAINST the amendment keeps the current process, in which the County Executive appoints or reappoints, the Inspector General and the County Council confirms the appointment.

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the

Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. (Amending Article III of the Maryland Constitution) ☐ For the Constitutional Amendment ☐ Against the Constitutional Amendment

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the

Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question 3

Constitutional Amendment

(Ch. 881 of the 2026 Legislative Session)

Election Districts – General Assembly and

Representatives in Congress

FOR the purpose of clarifying that certain requirements apply only to districts for the election of members of the Senate of Maryland and the House of Delegates; authorizing the General Assembly to grant original jurisdiction to the Supreme Court of Maryland to review the congressional districting plan of the State; and providing that nothing in the Maryland Constitution provides applicable criteria for the boundaries of a congressional districting plan.

(Amending Article III of the Maryland Constitution)

- ☐ For the Constitutional Amendment
- ☐ Against the Constitutional Amendment

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

- ☐ For the Charter Amendment
- ☐ Against the Charter Amendment

Vote All Sides

Question B
Charter Amendment
Department of Agriculture – Establishment
of Department
(Bill 49-25)

This Charter Amendment establishes a Department of Agriculture to promote and support farming and agriculture in Baltimore County as a viable component of the county's economic section, including encouraging local food production and distribution to improve access to food for County residents.

This would amend Section 504 of the Baltimore County Charter and add Sections 542.9 and 542.10 to the Baltimore County Charter.

Various agriculture issues will continue to be handled by other County agencies depending on the subject matter. As an example, agriculture land preservation is currently handled by the Department of Planning; local food initiatives are currently handled by the Department of Health; and agricultural tourism is handled by the Department of Economic and Workforce Development.

A vote FOR the amendment would create a Department of Agriculture to support farming and agriculture in Baltimore County and encourage local food production and distribution to improve access to food for County residents.

A vote AGAINST the amendment does not create a Department of Agriculture, and the current County Charter would remain unchanged.

- **For the Charter Amendment**
- **Against the Charter Amendment**

Question C
Charter Amendment
Inspector General Appointment Board
(Bill 50-25)

The Inspector General provides oversight of County government by investigating fraud, waste, and abuse. This Charter Amendment establishes an Inspector General Appointment Board; provides for the appointment of members to the Appointment Board; provides authority for the Inspector General Appointment Board to appoint or reappoint the Inspector General and, if necessary, remove the Inspector General for cause. It replaces the current process under which the County Executive appoints or reappoints the Inspector General, and the County Council confirms the appointment. It provides for a residency requirement for the Inspector General.

The Inspector General Appointment Board will consist of seven (7) members, with the County Council and County Executive each selecting one member, and the Chair of the Ethics Commission electing the other five (5) members, each of whom must be from specific judicial, accounting, fraud examination or academic professions. There are also several requirements for members relating to potential ethical conflicts between their service on the Inspector General Appointment Board and their employment or business involvement with the County; candidacy for elected office or involvement in campaign finances; registration as a lobbyist; or criminal convictions.

This would amend Section 1014 of the Baltimore County Charter and add Section 1014.1 to the Baltimore County Charter.

A vote FOR the amendment transfers the authority to appoint or reappoint and remove the Inspector General from the County Executive to an Inspector General Appointment Board to be established.

A vote AGAINST the amendment keeps the current process, in which the County Executive appoints or reappoints, the Inspector General and the County Council confirms the appointment.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

This would amend Section 533 of the Baltimore County Charter.

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question B
Charter Amendment
Department of Agriculture – Establishment
of Department
(Bill 49-25)

This Charter Amendment establishes a Department of Agriculture to promote and support farming and agriculture in Baltimore County as a viable component of the county's economic section, including encouraging local food production and distribution to improve access to food for County residents.

This would amend Section 504 of the Baltimore County Charter and add Sections 542.9 and 542.10 to the Baltimore County Charter.

Various agriculture issues will continue to be handled by other County agencies depending on the subject matter. As an example, agriculture land preservation is currently handled by the Department of Planning; local food initiatives are currently handled by the Department of Health; and agricultural tourism is handled by the Department of Economic and Workforce Development.

A vote FOR the amendment would create a Department of Agriculture to support farming and agriculture in Baltimore County and encourage local food production and distribution to improve access to food for County residents.

A vote AGAINST the amendment does not create a Department of Agriculture, and the current County Charter would remain unchanged.

- **For the Charter Amendment**
- **Against the Charter Amendment**

Question C
Charter Amendment
Inspector General Appointment Board
(Bill 50-25)

The Inspector General provides oversight of County government by investigating fraud, waste, and abuse. This Charter Amendment establishes an Inspector General Appointment Board; provides for the appointment of members to the Appointment Board; provides authority for the Inspector General Appointment Board to appoint or reappoint the Inspector General and, if necessary, remove the Inspector General for cause. It replaces the current process under which the County Executive appoints or reappoints the Inspector General, and the County Council confirms the appointment. It provides for a residency requirement for the Inspector General.

The Inspector General Appointment Board will consist of seven (7) members, with the County Council and County Executive each selecting one member, and the Chair of the Ethics Commission electing the other five (5) members, each of whom must be from specific judicial, accounting, fraud examination or academic professions. There are also several requirements for members relating to potential ethical conflicts between their service on the Inspector General Appointment Board and their employment or business involvement with the County; candidacy for elected office or involvement in campaign finances; registration as a lobbyist; or criminal convictions.

This would amend Section 1014 of the Baltimore County Charter and add Section 1014.1 to the Baltimore County Charter.

A vote FOR the amendment transfers the authority to appoint or reappoint and remove the Inspector General from the County Executive to an Inspector General Appointment Board to be established.

A vote AGAINST the amendment keeps the current process, in which the County Executive appoints or reappoints, the Inspector General and the County Council confirms the appointment.

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. (Amending Article III of the Maryland Constitution) ☐ For the Constitutional Amendment ☐ Against the Constitutional Amendment

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the

Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. Question B
Charter Amendment
Department of Agriculture – Establishment
of Department
(Bill 49-25)

This Charter Amendment establishes a Department of Agriculture to promote and support farming and agriculture in Baltimore County as a viable component of the county's economic section, including encouraging local food production and distribution to improve access to food for County residents.

This would amend Section 504 of the Baltimore County Charter and add Sections 542.9 and 542.10 to the Baltimore County Charter.

Various agriculture issues will continue to be handled by other County agencies depending on the subject matter. As an example, agriculture land preservation is currently handled by the Department of Planning; local food initiatives are currently handled by the Department of Health; and agricultural tourism is handled by the Department of Economic and Workforce Development.

A vote FOR the amendment would create a Department of Agriculture to support farming and agriculture in Baltimore County and encourage local food production and distribution to improve access to food for County residents.

A vote AGAINST the amendment does not create a Department of Agriculture, and the current County Charter would remain unchanged.

Inspector General Appointment Board
(Bill 50-25)

The Inspector General provides oversight of County government by investigating fraud, waste, and abuse. This Charter Amendment establishes an Inspector General Appointment Board; provides for the appointment of members to the Appointment Board; provides authority for the Inspector General Appointment Board to appoint or reappoint the Inspector General and, if necessary, remove the Inspector General for cause. It replaces the current process under which the County Executive appoints or reappoints the Inspector General, and the County Council confirms the appointment. It provides for a residency requirement for the Inspector General.

The Inspector General Appointment Board will consist of seven (7) members, with the County Council and County Executive each selecting one member, and the Chair of the Ethics Commission electing the other five (5) members, each of whom must be from specific judicial, accounting, fraud examination or academic professions. There are also several requirements for members relating to potential ethical conflicts between their service on the Inspector General Appointment Board and their employment or business involvement with the County; candidacy for elected office or involvement in campaign finances; registration as a lobbyist; or criminal convictions.

This would amend Section 1014 of the Baltimore County Charter and add Section 1014.1 to the Baltimore County Charter.

A vote FOR the amendment transfers the authority to appoint or reappoint and remove the Inspector General from the County Executive to an Inspector General Appointment Board to be established.

A vote AGAINST the amendment keeps the current process, in which the County Executive appoints or reappoints, the Inspector General and the County Council confirms the appointment.

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the

Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

This would amend Section 533 of the Baltimore County Charter.

A vote FOR the amendment changes the membership of the Board of Recreation and Parks and clarifies that the Board is an advisory body to the Department of Recreation and Parks.

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Charter Amendment
Board of Recreation and Parks –
Membership and Duties
(Bill 61-26)

This would amend Section 533 of the Baltimore County Charter.

A vote FOR the amendment changes the membership of the Board of Recreation and Parks and clarifies that the Board is an advisory body to the Department of Recreation and Parks.

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the

Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the

Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. (Amending Article III of the Maryland Constitution) ☐ For the Constitutional Amendment ☐ Against the Constitutional Amendment

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the

Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the

Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the

Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question 3

Constitutional Amendment

(Ch. 881 of the 2026 Legislative Session)

Election Districts – General Assembly and

Representatives in Congress

FOR the purpose of clarifying that certain requirements apply only to districts for the election of members of the Senate of Maryland and the House of Delegates; authorizing the General Assembly to grant original jurisdiction to the Supreme Court of Maryland to review the congressional districting plan of the State; and providing that nothing in the Maryland Constitution provides applicable criteria for the boundaries of a congressional districting plan.

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

- ☐ For the Charter Amendment
- ☐ Against the Charter Amendment

Question B
Charter Amendment
Department of Agriculture – Establishment
of Department
(Bill 49-25)

This Charter Amendment establishes a Department of Agriculture to promote and support farming and agriculture in Baltimore County as a viable component of the county's economic section, including encouraging local food production and distribution to improve access to food for County residents.

This would amend Section 504 of the Baltimore County Charter and add Sections 542.9 and 542.10 to the Baltimore County Charter.

Various agriculture issues will continue to be handled by other County agencies depending on the subject matter. As an example, agriculture land preservation is currently handled by the Department of Planning; local food initiatives are currently handled by the Department of Health; and agricultural tourism is handled by the Department of Economic and Workforce Development.

A vote FOR the amendment would create a Department of Agriculture to support farming and agriculture in Baltimore County and encourage local food production and distribution to improve access to food for County residents.

A vote AGAINST the amendment does not create a Department of Agriculture, and the current County Charter would remain unchanged.

- **For the Charter Amendment**
- **Against the Charter Amendment**

Question C
Charter Amendment
Inspector General Appointment Board
(Bill 50-25)

The Inspector General provides oversight of County government by investigating fraud, waste, and abuse. This Charter Amendment establishes an Inspector General Appointment Board; provides for the appointment of members to the Appointment Board; provides authority for the Inspector General Appointment Board to appoint or reappoint the Inspector General and, if necessary, remove the Inspector General for cause. It replaces the current process under which the County Executive appoints or reappoints the Inspector General, and the County Council confirms the appointment. It provides for a residency requirement for the Inspector General.

The Inspector General Appointment Board will consist of seven (7) members, with the County Council and County Executive each selecting one member, and the Chair of the Ethics Commission electing the other five (5) members, each of whom must be from specific judicial, accounting, fraud examination or academic professions. There are also several requirements for members relating to potential ethical conflicts between their service on the Inspector General Appointment Board and their employment or business involvement with the County; candidacy for elected office or involvement in campaign finances; registration as a lobbyist; or criminal convictions.

This would amend Section 1014 of the Baltimore County Charter and add Section 1014.1 to the Baltimore County Charter.

A vote FOR the amendment transfers the authority to appoint or reappoint and remove the Inspector General from the County Executive to an Inspector General Appointment Board to be established.

A vote AGAINST the amendment keeps the current process, in which the County Executive appoints or reappoints, the Inspector General and the County Council confirms the appointment.

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. (Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. (Amending Article III of the Maryland Constitution) ☐ For the Constitutional Amendment ☐ Against the Constitutional Amendment

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the

Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

This would amend Section 533 of the Baltimore County Charter.

A vote FOR the amendment changes the membership of the Board of Recreation and Parks and clarifies that the Board is an advisory body to the Department of Recreation and Parks.

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the

Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Election Districts – General Assembly and

Representatives in Congress

FOR the purpose of clarifying that certain requirements apply only to districts for the election of members of the Senate of Maryland and the House of Delegates; authorizing the General Assembly to grant original jurisdiction to the Supreme Court of Maryland to review the congressional districting plan of the State; and providing that nothing in the Maryland Constitution provides applicable criteria for the boundaries of a congressional districting plan.

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

- ☐ For the Charter Amendment
- ☐ Against the Charter Amendment

Question B
Charter Amendment
Department of Agriculture – Establishment
of Department
(Bill 49-25)

This Charter Amendment establishes a Department of Agriculture to promote and support farming and agriculture in Baltimore County as a viable component of the county's economic section, including encouraging local food production and distribution to improve access to food for County residents.

This would amend Section 504 of the Baltimore County Charter and add Sections 542.9 and 542.10 to the Baltimore County Charter.

Various agriculture issues will continue to be handled by other County agencies depending on the subject matter. As an example, agriculture land preservation is currently handled by the Department of Planning; local food initiatives are currently handled by the Department of Health; and agricultural tourism is handled by the Department of Economic and Workforce Development.

A vote FOR the amendment would create a Department of Agriculture to support farming and agriculture in Baltimore County and encourage local food production and distribution to improve access to food for County residents.

A vote AGAINST the amendment does not create a Department of Agriculture, and the current County Charter would remain unchanged.

- **For the Charter Amendment**
- **Against the Charter Amendment**

Question C
Charter Amendment
Inspector General Appointment Board
(Bill 50-25)

The Inspector General provides oversight of County government by investigating fraud, waste, and abuse. This Charter Amendment establishes an Inspector General Appointment Board; provides for the appointment of members to the Appointment Board; provides authority for the Inspector General Appointment Board to appoint or reappoint the Inspector General and, if necessary, remove the Inspector General for cause. It replaces the current process under which the County Executive appoints or reappoints the Inspector General, and the County Council confirms the appointment. It provides for a residency requirement for the Inspector General.

The Inspector General Appointment Board will consist of seven (7) members, with the County Council and County Executive each selecting one member, and the Chair of the Ethics Commission electing the other five (5) members, each of whom must be from specific judicial, accounting, fraud examination or academic professions. There are also several requirements for members relating to potential ethical conflicts between their service on the Inspector General Appointment Board and their employment or business involvement with the County; candidacy for elected office or involvement in campaign finances; registration as a lobbyist; or criminal convictions.

This would amend Section 1014 of the Baltimore County Charter and add Section 1014.1 to the Baltimore County Charter.

A vote FOR the amendment transfers the authority to appoint or reappoint and remove the Inspector General from the County Executive to an Inspector General Appointment Board to be established.

A vote AGAINST the amendment keeps the current process, in which the County Executive appoints or reappoints, the Inspector General and the County Council confirms the appointment.

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Election Districts – General Assembly and
Representatives in Congress

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

- ☐ **For the Charter Amendment**
- ☐ **Against the Charter Amendment**

Question B
Charter Amendment
Department of Agriculture – Establishment
of Department
(Bill 49-25)

This Charter Amendment establishes a Department of Agriculture to promote and support farming and agriculture in Baltimore County as a viable component of the county's economic section, including encouraging local food production and distribution to improve access to food for County residents.

This would amend Section 504 of the Baltimore County Charter and add Sections 542.9 and 542.10 to the Baltimore County Charter.

Various agriculture issues will continue to be handled by other County agencies depending on the subject matter. As an example, agriculture land preservation is currently handled by the Department of Planning; local food initiatives are currently handled by the Department of Health; and agricultural tourism is handled by the Department of Economic and Workforce Development.

A vote FOR the amendment would create a Department of Agriculture to support farming and agriculture in Baltimore County and encourage local food production and distribution to improve access to food for County residents.

A vote AGAINST the amendment does not create a Department of Agriculture, and the current County Charter would remain unchanged.

- **For the Charter Amendment**
- **Against the Charter Amendment**

Question C
Charter Amendment
Inspector General Appointment Board
(Bill 50-25)

The Inspector General provides oversight of County government by investigating fraud, waste, and abuse. This Charter Amendment establishes an Inspector General Appointment Board; provides for the appointment of members to the Appointment Board; provides authority for the Inspector General Appointment Board to appoint or reappoint the Inspector General and, if necessary, remove the Inspector General for cause. It replaces the current process under which the County Executive appoints or reappoints the Inspector General, and the County Council confirms the appointment. It provides for a residency requirement for the Inspector General.

The Inspector General Appointment Board will consist of seven (7) members, with the County Council and County Executive each selecting one member, and the Chair of the Ethics Commission electing the other five (5) members, each of whom must be from specific judicial, accounting, fraud examination or academic professions. There are also several requirements for members relating to potential ethical conflicts between their service on the Inspector General Appointment Board and their employment or business involvement with the County; candidacy for elected office or involvement in campaign finances; registration as a lobbyist; or criminal convictions.

This would amend Section 1014 of the Baltimore County Charter and add Section 1014.1 to the Baltimore County Charter.

A vote FOR the amendment transfers the authority to appoint or reappoint and remove the Inspector General from the County Executive to an Inspector General Appointment Board to be established.

A vote AGAINST the amendment keeps the current process, in which the County Executive appoints or reappoints, the Inspector General and the County Council confirms the appointment.

A vote AGAINST the amendment keeps the current Charter provisions, under which County Council members make seven (7) appointments to the Charter Review Commission.

This would amend Section 533 of the Baltimore County Charter.

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

This would amend Section 533 of the Baltimore County Charter.

A vote FOR the amendment changes the membership of the Board of Recreation and Parks and clarifies that the Board is an advisory body to the Department of Recreation and Parks.

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

This would amend Section 533 of the Baltimore County Charter.

A vote FOR the amendment changes the membership of the Board of Recreation and Parks and clarifies that the Board is an advisory body to the Department of Recreation and Parks.

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the

Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question A
Charter Amendment
Baltimore County Farmland Preservation

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

(Bill 61-26)

The amendment also amends and modernizes the Board duties to reflect both current board practices and its role to serve in an advisory capacity to the Department of Recreation and Parks.

This would amend Section 533 of the Baltimore County Charter.

A vote FOR the amendment changes the membership of the Board of Recreation and Parks and clarifies that the Board is an advisory body to the Department of Recreation and Parks.

A vote AGAINST the amendment keeps the current membership and duties of the Board of Recreation and Parks.

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. (Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question B
Charter Amendment
Department of Agriculture – Establishment
of Department
(Bill 49-25)

This Charter Amendment establishes a Department of Agriculture to promote and support farming and agriculture in Baltimore County as a viable component of the county's economic section, including encouraging local food production and distribution to improve access to food for County residents.

This would amend Section 504 of the Baltimore County Charter and add Sections 542.9 and 542.10 to the Baltimore County Charter.

Various agriculture issues will continue to be handled by other County agencies depending on the subject matter. As an example, agriculture land preservation is currently handled by the Department of Planning; local food initiatives are currently handled by the Department of Health; and agricultural tourism is handled by the Department of Economic and Workforce Development.

A vote FOR the amendment would create a Department of Agriculture to support farming and agriculture in Baltimore County and encourage local food production and distribution to improve access to food for County residents.

A vote AGAINST the amendment does not create a Department of Agriculture, and the current County Charter would remain unchanged.

- **For the Charter Amendment**
- **Against the Charter Amendment**

Question C
Charter Amendment
Inspector General Appointment Board
(Bill 50-25)

The Inspector General provides oversight of County government by investigating fraud, waste, and abuse. This Charter Amendment establishes an Inspector General Appointment Board; provides for the appointment of members to the Appointment Board; provides authority for the Inspector General Appointment Board to appoint or reappoint the Inspector General and, if necessary, remove the Inspector General for cause. It replaces the current process under which the County Executive appoints or reappoints the Inspector General, and the County Council confirms the appointment. It provides for a residency requirement for the Inspector General.

The Inspector General Appointment Board will consist of seven (7) members, with the County Council and County Executive each selecting one member, and the Chair of the Ethics Commission electing the other five (5) members, each of whom must be from specific judicial, accounting, fraud examination or academic professions. There are also several requirements for members relating to potential ethical conflicts between their service on the Inspector General Appointment Board and their employment or business involvement with the County; candidacy for elected office or involvement in campaign finances; registration as a lobbyist; or criminal convictions.

This would amend Section 1014 of the Baltimore County Charter and add Section 1014.1 to the Baltimore County Charter.

A vote FOR the amendment transfers the authority to appoint or reappoint and remove the Inspector General from the County Executive to an Inspector General Appointment Board to be established.

A vote AGAINST the amendment keeps the current process, in which the County Executive appoints or reappoints, the Inspector General and the County Council confirms the appointment.

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. Temporary Appointments on the

Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the

Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation

Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. Question 1 Constitutional Amendment (Ch. 155 of the 2026 Legislative Session) Arbitration Reform for State Employees Act of 2026
Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order. A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker. A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same. Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A

Charter Amendment

Baltimore County Farmland Preservation Act (URDL)

(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question A
Charter Amendment
Baltimore County Farmland Preservation
Act (URDL)
(Bill 19-25)

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL). This amendment to the Baltimore County Charter would require a vote of six (6) of the nine (9) members of the County Council rather than a simple majority of five (5) votes to approve changes to the Urban-Rural Demarcation Line (URDL) recommended by the Planning Board. All other planning and zoning matters would continue to be approved by a simple majority vote of the County Council.

This would amend Section 522.1 of the Baltimore County Charter and add Section 1015 to the Baltimore County Charter.

A vote FOR the amendment requires six (6) of the nine (9) members of the County Council to approve changes to the Urban-Rural Demarcation Line (URDL).

A vote AGAINST the amendment keeps the current simple majority vote of five (5) members of the County Council on changes to the Urban-Rural Demarcation Line (URDL).

This would amend Section 533 of the Baltimore County Charter.

Currently, the Planning Board changes the Urban-Rural Demarcation Line (URDL), which separates urban areas from rural areas in Baltimore County, largely in response to zoning changes or water/sewer designation changes enacted by the County Council. The Baltimore County Charter requires a simple majority of the County Council to approve changes by the Planning Board to the Urban-Rural Demarcation Line (URDL).
