Question 1

Constitutional Amendment

(Ch. 155 of the 2026 Legislative Session)

Arbitration Reform for State Employees Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

Question 1

Constitutional Amendment

(Ch. 155 of the 2026 Legislative Session)

Arbitration Reform for State Employees Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question 1

Constitutional Amendment

(Ch. 155 of the 2026 Legislative Session)

Arbitration Reform for State Employees Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question 1

Constitutional Amendment

(Ch. 155 of the 2026 Legislative Session)

Arbitration Reform for State Employees Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question 1
Constitutional Amendment
(Ch. 155 of the 2026 Legislative Session)
Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Arbitration Reform for State Employees
Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 2
Constitutional Amendment
(Ch. 878 of the 2026 Legislative Session)
Temporary Appointments on the
Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question 1

Constitutional Amendment

(Ch. 155 of the 2026 Legislative Session)

Arbitration Reform for State Employees Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Question 1

Constitutional Amendment

(Ch. 155 of the 2026 Legislative Session)

Arbitration Reform for State Employees Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question 1

Constitutional Amendment

(Ch. 155 of the 2026 Legislative Session)

Arbitration Reform for State Employees

Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

(Amending Article III of the Maryland Constitution)

- ☐ For the Constitutional Amendment
- ☐ Against the Constitutional Amendment

Question 2

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the

Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.

Question 3

Arbitration Reform for State Employees Act of 2026

Providing that each budget submitted by the Governor shall include proposed expenditures necessary to implement wages, hours, fringe benefits, health benefits, and other terms and conditions of employment in each collective bargaining memorandum of understanding with State employees, whether the State and State employees reached those terms and conditions by mutual agreement or through a neutral decider's order.

A vote FOR this amendment means that the Governor has to include money in the proposed State budget to pay for agreements between the State and its employees. Agreements might include changes to wages, hours, fringe benefits, health benefits, and other terms and conditions of employment. The Governor must put enough money in the State budget to cover the agreed upon pay and benefits for employees, whether those terms were negotiated or decided by a neutral decision-maker.

A vote AGAINST the amendment means that the law about funding agreements between the State and State employees stays the same.

Constitutional Amendment

(Ch. 878 of the 2026 Legislative Session)

Temporary Appointments on the Commission on Judicial Disabilities

Authorizing temporary substitute appointments to the Commission on Judicial Disabilities when a member is recused or disqualified, or when a member's term expires. In these situations, the Commission Chair may recall a former member of the Commission, or the Governor, at the request of the Commission Chair, may appoint a temporary substitute member or extend the term of a current member until a permanent replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote FOR this amendment means that temporary appointments to the Commission are allowed if a member is recused, disqualified, or if a member's term ends without a replacement. The Commission Chair can temporarily fill an opening on the Commission with a former member. The Governor can, at the request of the Commission Chair, pick a temporary substitute to fill an opening on the Commission or extend the term of a current member until a replacement is appointed. Only individuals who meet the constitutional eligibility requirements may be recalled or appointed to the Commission.

A vote AGAINST the amendment means that current membership rules for the Commission stay the same. Temporary appointments are not allowed if a member is recused, disqualified, or if a member's term ends.
