Tomorrow, November 3, is Election Day for the Gubernatorial General Election

ANNAPOLIS, MD (November 2, 2026) – The Maryland State Board of Elections (SBE) reminds voters that tomorrow, November 3, is Election Day for the 2026 Gubernatorial General Election. Election Day is the final day voters can cast their votes in this election. Find your Election Day polling place on SBE's Find My Polling Place portal. Polling places are open from 7 a.m. to 8 p.m.

There is still time to register to vote. Residents in line by 8 p.m. on Election Day will be able to register. Make sure to bring a document that proves where you live when you attempt to vote at your local polling place.

Due to recent changes in how postmarks are applied, SBE recommends that voters returning mail-in ballots use an official ballot drop box. Ballot drop boxes provide a safe, secure and convenient way to return completed ballots. Voters can find their nearest ballot drop box by visiting the SBE website at elections.maryland.gov.

"I encourage every Marylander who has not yet voted to make their voice heard on Election Day," said State Administrator Jared DeMarinis. "Whether voting in person or returning a mail-in ballot at an official drop box, be sure to plan ahead and rely on state and local election officials for trusted information about voting locations and deadlines. I also want to thank our election judges for their tireless work on behalf of our democratic process."

Mr. DeMarinis will be available to speak with members of the media on Election Day.

He will visit several polling locations throughout the day, including:

- Burtsonville Elementary School (Montgomery County)
- Kenilworth Elementary School (Prince George's County)
- Belair Annex (Prince George's County)
- Heather Hills Elementary School (Prince George's County)
- Bates Middle School (Anne Arundel County)

Media interested in speaking with Mr. DeMarinis are encouraged to meet him in Montgomery County at 10 a.m., where he will be available for interviews and questions from the press.

Additional media availability may be arranged throughout the day as scheduling permits and he will be available to speak with media during his stops at the Prince George's County and Anne Arundel County polling locations.

Maryland's state and local boards of election are the public's trusted sources of information for the election.
