**State Board of Elections Reminds Marylanders  
to Take Advantage of Remaining Early Voting Days**

**ANNAPOLIS (Oct. 30, 2020)** – Going into the last weekend before Election Day, the Maryland State Board of Elections today encouraged voters who want to cast their ballots in person to consider doing so during the final days of early voting. Early voting centers will remain open until 8 p.m. tonight and will be open Saturday, Sunday and Monday from 7 a.m. to 8 p.m.

“Early voting is a great way to cast your ballot at a convenient time and location,” said Maryland State Board of Elections Administrator Linda Lamone. “In particular, the opportunity to vote in person over the weekend, offers greater scheduling flexibility to the many Marylanders who work during the week.”

A complete list of early voting centers is available [online](#). Eligible voters may cast their ballots at any authorized early voting center in their jurisdiction of residence.

The Maryland State Board of Elections asks voters who plan to vote in person to wear a mask. Voters who arrive at vote centers without masks will be offered one; voters who have a medical condition or disability that prevents them from wearing a mask will be requested to vote a provisional ballot outside of the voting room to protect other voters and election judges. The number of voters permitted inside a vote center at any one time may be limited in order to maintain social distancing.

For voters who missed the advance voter registration deadline, same-day registration is available at early voting and Election Day vote centers. To prove their place of residence, Marylanders registering in person during early voting and on Election Day will need to bring their Motor Vehicle Administration-issued driver’s license, identification card or change of address card, or a paycheck, bank statement, utility bill or other government document that includes the voter’s name and new address.

More than 600,000 Marylanders have already taken advantage of early voting across the state.
