Maryland Application for an Absentee Ballot 2020 Elections

Anyone registered to vote in Maryland can vote by absentee ballot, which lets you vote in an election without going to a polling place. If you are a military voter stationed outside of Maryland or live outside of the U.S., go to fvap.gov to fill out the Federal Post Card Application.

You can register to vote in Maryland online at elections.maryland.gov/voting/absentee.html or at your local election office (see attached list).

How to ask for an absentee ballot

• Fill out this form and get it to your local election office before the deadline, or ask for your absentee ballot online at elections.maryland.gov/voting/absentee.html.

How will you receive your absentee ballot?

• On this form, you choose how you want to receive your ballot: through U.S. Mail, fax, or we will send you an email with a link so you can print your ballot.

• You can also pick it up in person, or have someone pick it up:
  - If you want someone to pick up your ballot for you, you need to provide a Designation of Agent form. Get this form at your local election office or online at elections.maryland.gov/voting/absentee.html.
  - The person who picks up your ballot must be at least 18 years old and cannot be a candidate on your ballot. You can also have this person return your voted ballot to your local election office. This person must sign a form to show that he or she handled the ballot properly.
